

St Johns River-to-Sea Loop Alliance
532 W. Florence Avenue
Deland, Florida 32720
321-795-3179

Dear Friend and Partner of the St Johns River-to-Sea Loop,

The St Johns River-to-Sea Loop Alliance invites your sponsorship for the St Johns River-to-Sea Loop **"Spring into Spring"** Ride to advance the Loop and raise awareness for the SJR2C Loop and the benefits the Loop brings to surrounding communities. The Alliance mission is to advance, advocate, support, promote and protect the Loop and its corridor, and this ride on the recently completed DeBary to Blue Spring Connector marks a major milestone toward achieving our mission.

The St. Johns River-to-Sea Loop (SJR2C) is a 260-mile state-funded multiuse Florida SUNTrail trail that connects five counties - St Johns, Flagler, Volusia, Brevard and Putnam - and runs from Titusville to DeBary to Palatka to St. Augustine.

Americans want trails – they are the number one public amenity considered when evaluating locations. Trails bring benefits for active mobility, safety, community building, multi-modal connections, bike-tourism, economic development, and health and fitness. Trails are economic drivers that help revitalize Main Streets and downtowns. Trails spur investment in community resources and attract local entrepreneurship. Trails build community and safety. They help kids be more active and independent, and get kids safely to and from school, and they inspire and enable fitness and health for people of all ages.

Our **"Spring into Spring"** Ride will be a raffle ride with prizes on Mach 16 on the Loop featuring the beautiful Volusia springs and parks between Beresford Park and Osteen. We seek sponsors to help the Alliance cover ride materials and safety provisions, insurance and fees, refreshments, and to donate prizes.

For more information please refer to the attached sponsor categories.

Sincerely,

Marguerite Ardito, President
